The Youth Center in Niederrohrdorf is a meeting place for children and young people from 4th grade onwards. They can meet friends at the center, play billiards, table football, relax, use the computers, and much more. The youth workers are there with an open ear for any concerns the children and teenagers may have.

Opening Hours

Wednesday 2:00 pm – 6:00 pm from 4th grade

Friday 5:00 pm – 8:00 pm from 1st year of secondary school

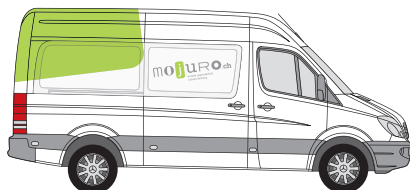

Location

Oberdorfstrasse 7, 5443 Niederrohrdorf

With the MOJURO bus, MOJURO offers a mobile meeting point in the local communities. Children and young people can stop by, borrow toys, relax, buy something at the kiosk, and chat. The meeting points take place weekly on the school grounds.

Stetten	Tuesday	03:00 - 04:30 pm
Remetschwil	Wednesday	02:00 - 03:00 pm
Bellikon	Thursday	03:00 - 04:00 pm
Oberrohrdorf	Friday	03:00 - 04:30 pm

Sports Night is a sports event for teenagers from secondary school up to 18 years old. It takes place on Saturday evenings from 8:00 pm to 11:00 pm. Between the autumn and spring holidays, it is held seven times.

With the Project Office offer, children and young people have the opportunity to realise their own project ideas. They are supported by the youth workers.

During the winter, spring, summer, and autumn school holidays, MOJURO offers a one-week program for children and young people who stay at home during the break.

Children, teenagers, and clubs can borrow various equipment such as a sound system or a camera from MOJURO either free of charge or at a low cost.

The construction trailer “Gerd’s Garden” is MOJURO’s mobile meeting point for upper primary students. During the summer months, it is placed in two different communities for two months each. Together with the children and teenagers, a varied program is planned.

The Girls* Meeting is for girls* from 4th grade and takes place seven times a year. It offers a space for exchange, participation, and implementing their own ideas.

The Boys* Meeting is for boys* from 4th grade. It takes place four times a year and offers room for shared activities and exchange.

Youth workers are available to children and teenagers for advice and support with questions or problems.

MOJURO is the professional center for youth work in the Rohrdorferberg region. It coordinates and manages youth work in the contracting municipalities of Niederrohrdorf, Oberrohrdorf, Remetschwil, Bellikon, and Stetten.
